

Closing date: 22 June

What infant feeding support would you like to see in Bristol, North Somerset and South Gloucestershire?

Have you given birth in this area within the last 3 years? Or did you give birth elsewhere and receive infant feeding support here? If so, the local NHS is asking for your ideas about infant feeding support.

The confidential survey is open until Sunday 22nd June.

Follow the link from the QR code below on your phone to take part or visit: <https://tinyurl.com/bnssg-feeding>
